Sea Cloud II

A cruise with SEA CLOUD CRUISES is already a very special trip. But when the two tall ships SEA CLOUD and SEA CLOUD II meet on the high seas or a “normal” cruise is combined with other events and packages, you can be sure to have a truly unforgettable experience. The two hand-sailed windjammers, the SEA CLOUD and SEA CLOUD II, cruise the world’s finest sailing waters. While the SEA CLOUD enchants nostalgics and romantics alike with its uniqueness and its history, the SEA CLOUD II combines two exciting worlds by offering both an authentic sailing experience and an exclusive cruise that meets even the highest of expectations.
