Dear Globe Wanderer,

You can drop your anchors as we welcome you to the home of the leading small ship cruise line worldwide with eleven state-of-the-art SOLAS certified Yachts hosting no more than 72 guests. Since 1949 we have believed that life should be experienced as Myth. In 1968 we found out how, with Variety Cruises' first floating home at Sea, marking 2018 as our 50th Anniversary-at-Sea. As 2019 unfolds, we invite you to dive deeper into part-two of a century of small ship cruise adventures; deploying your dreams and imagination, and our sea-going experience as the silver platter with which we serve you the world at Sea.

In an era of online overload, "fake news", and constant clutter; we invite you to unplug and relax; to shift the borders of time further apart, and enjoy each moment for all its rich grandeur. We invite you to place your worries aside; to look around and to inhale deeply as the soft whisper of the sea-breeze, the sparkling beams of sunlight flickering upon the soft waves of the sea, and the warm hug of the sun and blue skies embrace you; while time stands still as you sail away.

Just like gold-miners, for over half a century, we have been combing the world extracting the most fascinating stories from the most magical destinations. We have crafted the best selection made available exclusively by small ships, offered at Sea- with sustainability and green ethics at the center of everything we do. Just like Odysseus embarking on his journey back home, we invite you to set your imagination free and carve your path through your new memories, as we join hands in sharing your stories, your way.

Boreas, Zephyrus, Eurus, and Notus your faithful servants will fill your sails and give you the speed you need to leave everything behind. The vessel is your home now; and like the sons of Aeolus, will guide you. From the mysteries of the Balinese mythology of Goddess Setesuyra who created light and the earth; to the deep traditions of West Africa's first notion of the power of Manifestation; to the jaw-dropping glaciers of Iceland; to the rupturing volcanoes of Santorini & the ancient Labyrinth of Knossos; to the last remaining wonder of the Ancient World the Pyramids of Giza; to the industrial wonder of the world that is the Panama Canal; to the UNESCO World Heritage Sites of the Adriatic Sea; to the moura encantada, the supernatural being from the fairy tales of Portuguese folklore; to the undersea mysteries of the Seychelles; to the unforgettable salt mines of the virgin Canary Islands...

Let our small ships be your unravel the beauty of the one destination at a time; time. Welcome to your next idon to show the way!
