

Resort Fees & Local Charges

No more hidden fees or surprises!

Expedia TAAP includes resort fees and local charges on the Hotel selection page as well as the Room selection page. These fees are not pre-collected. On the Payment page these fees are broken out and shown as a local collection (Pay at property). This ensures that you and your client know the exact cost of the booking - no hidden fees or nasty surprises! We give you confidence in our pricing structure so that you can serve your clients with accuracy and professionalism.
